ALEXA RHODES

ALEXA

It bothers me when you talk to your Mom. You know she doesn't like me and would love to see you leave me.

CHRIS

It's not like that honey. She just wants to spend more time with the family.

ALEXA

That's not true! She despises me and you know it!

CHRIS

(Walks over to Alexa)
Do we really have to do this in front of the kids?

ALEXA

The kids, the kids. It's always about the kids! Well, if you don't want them here then they can go to their room.

(Turns to the kids and points to their room)
Go to your room!

CHRIS

Look, I'm not trying to cause drama with you. I just thought it would be nice for them to get a chance to see grandma again.

ALEXA

(Rolls her eyes)
Whatever, everyone seems to be more important to you than me.
