NURSE ERIN BRIDGES

ERIN

How are you doing today?(smiles)

PATIENT

I'm ok. I'm just concerned about my health right now.

ERIN

Don't worry. The Doctor will be in shortly to discuss the results of your blood test.

PATIENT

Do you know anything about the results?

ERIN

I think it would be best to talk to Dr. Kinsey about the results. For now I would like to check your blood pressure.

PATIENT

Ok.

ERIN

Everything looks good here.

PATIENT

My kids tend to raise my blood pressure sometimes so I was kinda concerned about that.

ERIN

(laughs)

No. It all looks fine. Now you just need to go over your blood work. The doctor will be here any minute. It was nice seeing you.(smiles)
