

INT. CABIN - NIGHT (LATER)

Ashley opens her eyes. She is in a strange place and everything seems so out of time. She does not know how long she has been unconscious. She realizes she is only in her shirt and panties. She starts to jump up and falls off the couch, screaming. Trent jumps up from his chair while Ashley is on the floor screaming. Trent helps Ashley back to the couch and puts the blanket back over her. Ashley is wondering how her pants came off. Trent explains that he undressed her as she was dirty, wet and clearly in pain. He tells Ashley he "didn't see" anything. Ashley pulls the blanket up to her chin and looks afraid. She asks Trent for a phone to call for help, but Trent explains that he lives alone on the land and there is no phone, or internet or anything like that for miles. Ashley eventually gets tired, and falls back to sleep.

Ashley looks around the room scared and sees Trent

ASHLEY

Ahhh! Who are you?! Where am I?!

TRENT

Calm down! Just calm down. My name is Trent. This is my cabin. I found you outside. You were downstream.

Ashley looks down at the bottom half of her body.

ASHLEY

(bashful look)

Do you mind telling me where my pants are?

TRENT

(Trent looks at Ashley and his eyes widen)

Look, I didn't try anything with you. I'm not like that.

ASHLEY

Then what did you do?

TRENT

Well, after I found you washed up by the river on my property, none the less, I figured that you may need my help.

ASHLEY

I was just trying to find my way back to camp. I need to go.

Trent looks over at Ashley shocked

TRENT

Home? Right now? I don't think that's such a good idea.

ASHLEY

What do you mean? My Dad must be worried.

TRENT

So, you came here with your Dad then?

ASHLEY

Oh my god! My Dad! I have to call him! Can I please use your phone?

Trent looks at Ashley and raises an eyebrow

TRENT

I don't have any phones here.

ASHLEY

You must be joking? You're telling me that you don't have a single phone in this cabin.

TRENT

Nope. I prefer the solitude.

ASHLEY

No phone? How will I call my Dad?

TRENT

Is that what you expected, being in the middle of nowhere?

Ashley tries to stand up to get back on the couch and falls.

ASHLEY

I feel dizzy.

Trent quickly picks Ashley up and puts her back on the couch.

TRENT

You're still weak. You need to rest. We'll talk more later.

Ashley looks at Trent and is too tired to argue, eventually she falls back asleep.

EXT. CABIN - DAY

Ashley is sitting curled up next to Trent in front of the cabin. She is thinking of the other day at the waterfall. Trent is looking out over the lake. He seems to be struggling with something that is on his mind. Ashley sees the look in his eyes and asks him what is wrong. After this conversation the two go back inside the cabin.

Ashley snuggles next to Trent

ASHLEY

I was just thinking about how much fun we had at the waterfall.

TRENT

Yeah. That was fun.

ASHLEY

Are you okay? It looks like you have something on your mind.

TRENT

I'm okay. I'm just thinking about something.

ASHLEY

What is it?

TRENT

I think I'm just trying to process this whole past week. You caught me off guard Ashley. (beat) I never thought someone as beautiful as you would ever appear in my life.

ASHLEY

I wouldn't be in your life if it wasn't for you though.

TRENT

That's true. (beat) We should head back inside.

Ashley and Trent walk back inside the cabin
